

2020/21 DANCE SEASON COVID-19 PROCEDURES

***** These procedures/guidelines are tentative. We will update procedures for fall season as restrictions change *****

Please ensure you are familiar with all our Covid-19 procedures prior to returning to in studio classes.

WHAT HAVE WE DONE

- Class sizes will be adjusted to allow and accommodate proper social distancing rule. Classes will have a _____ student maximum per class.
- Entry to class will be spaced out to allow for physical distancing between dancers.
- Studio floors will be marked to accommodate social distancing. Students will have their own spots at the barre and center floor during classes.
- Staggered drop off and pickup. Parents must drop off and pick up their kids strictly at given scheduled time. Teachers and staff members will take children to class and bring them back to the lobby adhering to the social distancing guidelines.
- There will be a sanitation area at the front of the studio. We ask everyone entering to sanitize their hands properly. If waiting for your child parents are asked to wear a mask.
- Wearing a mask is required upon entry the facility.
- Change rooms will be closed. All students must come dressed for class. Hair is to be done at home.
- Studio will be cleaned and sanitized after each class.
- Our lobby will be closed to all parents with dancers ages 6 and over. No parents/family are to enter the facility to observe classes.
- Unfortunately there will be NO handshaking, hugs or high-fives.
- There will be no sharing of water or food. Please insure your dancers have water for class.
- Please remember to keep 2 meters away from others.
- Please respect and follow all instructional signage.
